By using our website, booking or receiving services, purchasing materials, or otherwise interacting with us, you acknowledge and agree to the following:

1) Not Medical, Clinical, or Psychotherapeutic Care

- Our services (including coaching, relationship coaching, hypnosis, hypnoanalysis, past-life techniques, courses, and recordings) are **not** medical or psychotherapeutic treatment, do **not** diagnose, treat, or cure disease, and are **not** a substitute for licensed healthcare or mental health services.
- We do not provide medical, psychological, legal, or financial advice. **Nothing** on our website, in sessions, or in our materials should be construed as such advice.

2) No Therapist–Patient or Doctor–Patient Relationship

Your participation does **not** create a therapist–patient, doctor–patient, or other licensed professional relationship. If you need medical or psychological care, consult a licensed physician or mental health professional.

3) Personal Responsibility; Results Vary; No Guarantees

- You are solely responsible for your decisions, actions, and outcomes.
- Coaching and hypnosis outcomes vary by individual. We make **no guarantees** of results, performance, or success. Testimonials reflect individual experiences and are **not** promises of similar outcomes.

4) Emotional & Physical Considerations

- Personal work can surface strong emotions (e.g., sadness, anger, anxiety). This is a normal part of change work and is **not** evidence of negligence or abuse.
- Hypnosis audios or practices may induce drowsiness or altered focus—**never** listen while driving or operating machinery.
- In-person hypnosis may involve **light, optional touch** (e.g., tapping). You can decline at any time.

5) Emergencies & Safety

We do **not** provide crisis intervention or emergency services. If you are in crisis or at risk of harm, call **911** or appropriate emergency services immediately. We may contact your emergency contact if danger is reasonably foreseen.

6) Minors

- For clients under 18, we require parent/guardian involvement and consent as appropriate.

- Mature minors (generally 13+) may be afforded increased confidentiality subject to legal/safety exceptions.
- Alternative communication channels for minors (e.g., SMS, iCloud, Discord, Roblox, Nintendo/PlayStation services) may be used with parent/guardian permission.

7) Recordings & Educational Use

- Some sessions—especially with minors—**may be recorded** for documentation and safety.
- Notes and recordings may be retained for an indeterminate time.
- We may use **de-identified** case information for training/education (e.g., articles, presentations, podcasts). We will not disclose explicit identifiers without your consent.

8) Electronic Communications; No HIPAA Compliance

- Email, SMS, video platforms, and other digital tools we use are **not HIPAA-compliant**.
While we take reasonable steps to protect information, electronic systems carry inherent risks (e.g., hacking, breaches).
- By engaging with us electronically, you accept these risks and consent to non-HIPAA communications and storage.
